

CAMELLIA

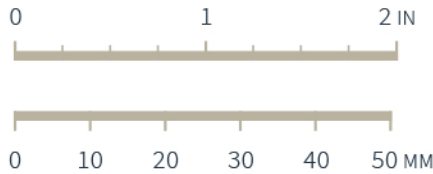

FOR THAT 'YES' MOMENT

RING SIZE GUIDE

Before proceeding, make sure that the guide is printed on the correct paper size.

Use a ruler size below to confirm the printed paper OR
by placing a coin (1 cent) on the circle.

If the ruler printed paper size or coin matches the drawing - you're all set!

MEASURE A CURRENT RING

1. To find your CAMELLIA ring size, use an existing ring that fits you (or them!) well.
2. Match the inside of that ring with one of the circles below.
3. When your ring has been placed on the right size, you should see only the circle - with no white space inside your ring. This measurement refers to the inside diameter of the ring.
4. If your ideal fit falls between two sizes, we recommend choosing the larger size.
